RAIL YARDS, NORTH KOREA

1. This photo intelligence report is a study of railroad yards on Rail Line 1 and its branches of the North Korean Railroads. Aerial photography covering all aforementioned rail lines was carefully scanned and all rail yards with five or more tracks were selected for study. Available photography was inadequate to do a study of Line 1b. Line 1d is dismantled. An annotated photo of each yard is enclosed (CIA/PID/IB-P-500/65 thru P-528/65) and an analysis of these yards is included in Table I - Description of Yards and Facilities. All selected rail yards are located on the enclosed map, with overlay (CIA/PID/IB-P-535/65).

ENCLOSURES

- 1 Map, w/Overlay
(CIA/PID/IB-P-535/65)
- 29 Annotated Photo Enlargements
(CIA/PID/IB-P-500/65 thru P-528/65)
